Is Your Child's School Schedule Changing?

As we prepare for the 2025- 2026 school year, your child' s school or after-school schedule may be changing- and that may affect your child care needs.

If your child' s care schedule has changed or will change, you have the right to request an update to your certified child care schedule at any time (Title 5, CCR §18082.3).

Examples of Schedule Changes:

- ❖ First time enrollment in a program (e.g., Head Start, Preschool or Transitional Kindergarten, etc.)
- ❖ Changing Schools or School Districts
- ❖ Advancing to a new grade level
- ❖ Starting or leaving an After School Program
