

REEMBOLSO DE SALUD Y SEGURIDAD PARA EL CONDADO DE FRESNO

Patrocinado por el Departamento de Servicios Sociales de California

Desde el **1 de julio de 2025 hasta el 1 de junio de 2026**, o hasta que se agoten los fondos, el estado de California seguirá ofreciendo reembolsos de salud y seguridad de hasta **\$140.00**. Los fondos de reembolso de salud y seguridad se utilizan para ayudar a las siguientes personas a completar la capacitación prescrita sobre prácticas de salud preventiva según la AB243:

- ✓ Proveedores de cuidado infantil familiar y 2 asistentes SOLAMENTE (mayores de 18 años)
- ✓ Centros de cuidado infantil (hasta 8 empleados SOLAMENTE)
- ✓ Proveedor sin licencia

Consulte: https://emsa.ca.gov/childcare_provider1/ para identificar cursos aceptables

REGLAS Y LIMITACIONES

1. Cada participante elegible puede recibir hasta \$140.00 por año fiscal por cada clase completada.
2. Bajo ninguna circunstancia el reembolso excederá los costos reales incurridos.
3. La capacitación sobre prácticas de salud preventiva (RCP/FA y Salud y Seguridad) debe completarse y pagarse entre el **1 de julio de 2025 y el 1 de junio de 2026** y cumplir con los requisitos obligatorios. *Consulte la página 2 de este formulario para conocer las políticas y los procedimientos relacionados con la certificación aprobada.*
4. Las capacitaciones en RCP/FA y en Salud y Seguridad pediátricas deben durar 8 horas cada una.
5. **No hay garantías de que se le reembolse. Los reembolsos dependen de la disponibilidad de fondos y se asignan en el orden de llegada.**

NO PODEMOS REEMBOLSAR A MENOS QUE ENVÍE Y COMPLETE LO SIGUIENTE:

1. COPIA del frente y el reverso de la tarjeta emitida que muestre claramente las calcomanías de EMSA, a menos que se haya recibido certificación de RCP/FA de American Red Cross o American Heart Association.
2. COPIA del RECIBO ORIGINAL que identifique claramente su nombre, el monto pagado y el método de pago.
3. ESTE FORMULARIO COMPLETO.

Fresno CA 93727

Health and Safety Code Section 1596.866 provides in part:

- (a)(1) In addition to other required training... each family day care home licensee who provides care, shall have at least 15 hours of health and safety training, and if applicable, at least one additional hour of training pursuant to clause (ii) of subparagraph (C) of paragraph (2).
- (2) The training shall include the following components:
 - (A) Pediatric first aid.
 - (B) Pediatric cardiopulmonary resuscitation (CPR).
 - (C)(i) A preventive health practices course or courses that include instruction in the recognition, management, and prevention of infectious diseases, including immunizations, and prevention of childhood injuries.
 - (ii) For licenses issued on or after January 1, 2016...each family child day care licensee who provides care, shall have at least one hour of childhood nutrition training as part of the preventive health practices course or courses.
- (3) The training may include instruction in sanitary food handling, emergency preparedness and evacuation, and caring for children with special needs....

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.81(b), 1596.866, and 1597.57, Health and Safety Code; and Section 51, Civil Code.

CHILDCARE CENTERS

Health and Safety Code Section 1596.866 provides in pertinent part:

- (a)(1) In addition to any other required training, at least one director or teacher at each day care center ... shall have at least 15 hours of practice health and safety training, and if applicable, at least one additional hour of training pursuant to clause (ii) of subparagraph (C) of paragraph (2).
- (2) The training shall include the following components:
 - (A) Pediatric first aid.
 - (B) Pediatric cardiopulmonary resuscitation (CPR),
 - (C)(i) A preventative health practices course or courses that include instruction in the recognition, management, and prevention of infectious diseases, including immunizations, and prevention of childhood injuries.
 - (ii) For licenses issued on or after January 1, 2016, at least one director or teacher at each day care center...shall have at least one hour of childhood nutrition training as part of the preventive health practices course or courses.
- (3) The training may include instruction in sanitary food handling, emergency preparedness and evacuation, and caring for children with special needs.
- (b) Day care center directors... shall ensure that at least one staff member who has a current course completion card in pediatric first aid and pediatric CPR issued by the American Red Cross, or the American Heart Association, or by a training program that has been approved by the Emergency Medical Services Authority pursuant to this section and Section 1797.191 shall be onsite at all times when children are present at the facility, and shall be present with the children when children are offsite of the facility for facility activities....

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73, 1596.81, 1596.858, 1596.866, 1596.95, 1596.951, 1596.96 and 1596.97, Health and Safety Code.
